# Emerald Management First

**Successful managers are recognizing the value of quality research and know that actions based on sound evidence beat those based on suspect intuition every time. Verified research can help managers make better decisions – crucial when the annual cost of “wrong” decisions runs at over £800,000 per head!**

(Capgemini's UK “Business Decisiveness” report)

## **What is Emerald Management First?**

Emerald Management First is an online business and management library which places more management tools at your disposal than any other resource. Designed specifically for managers, the site brings you regularly updated articles, case studies, interviews with established management leaders, and more, direct to your desktop.

The intuitive design and state-of-the-art features ensure that every user in your organization can quickly find reliable information relevant to their needs. Incorporating the latest technological developments and online trends, Emerald Management First provides high quality, easily-digestible information to help professionals tackle everyday business challenges.

## **Why should I subscribe?**

A subscription to Emerald Management First will provide you with:

- A quality-assured basis for decision making
- A solution for cutting through the masses of untrustworthy content on the web
- A solution to “information overload”

- Simple and user-friendly licensing to enable downloads and content-sharing
- Built-in interface with social media tools
- Personalization features to create your “one-stop” business homepage
- Knowledge you can apply with confidence in your own organization.

## **What can I find on the site?**

Emerald Management First is structured around nine management subject areas which reflect the most talked about topics in business today:

- (1) Management & Leadership
- (2) Sales & Marketing
- (3) Change Management & Innovation
- (4) Strategy & International Business
- (5) Human Resources & Training
- (6) Knowledge Management
- (7) Health Care Management
- (8) Accounting, Finance & E-Business
- (9) Operations, Logistics & Quality.
